To Whom It May Concern:

Subject : Letter of confirmation

This is to confirm that TITANLENE LDF260GG manufactured by Titan Petchem (M) Sdn. Bhd, does not involve addition of the chemicals as listed below during production.

Lead
Mercury
Cadmium
Hexavalent Chromium
Polybrominated Biphenyl
Polybrominated Diphenyl Ether

The chemical substances listed above are to all intents and purposes absent from our product; of course this does not absolutely exclude that toxicologically and/or regulation-wise irrelevant, extremely low trace levels of these chemical substances may be unintentionally present.

Should you need more information, please contact our Technical Service Department.
